

Canadian News

We also offer distribution to Canadian trade magazines. If you see a media outlet missing, please e-mail us and we will add it.

Please note that we can guarantee that your release will be listed on all the major search engines within 24 hours (Google News, Bing News etc.), but we cannot guarantee media pickups. RushPRNews will submit by email your news in a professional manner, but the final decision to publish or not is made by the media. Even though submitting at RushPRNews will build links, we are not a backlink service.
