

RUSH **PR** NEWS

Trade magazines U.S.

Target your news to the right industry trade publications, and industry leaders. We can send custom orders to any of these trade publications.

Please note that we can guarantee that your release will be listed on all the major search engines within 24 hours but we cannot guarantee media placements. RushPRNews will submit via email and rss feeds your news in a professional manner, but the final decision to publish or not is made by media. Even though submitting at RushPRNews will build links, we are not a backlink builder service.
